

Joey Carmon & Kentucky Blue

Traditional Bluegrass

A native Kentuckian, virtuoso banjo and guitar picker, Joey Carmon has toured the world with the U.S. Army Country Band, played at the Grand Ol'Opry and been a band leader for over 30 years.

The most in-demand banjo and guitar instructor in Reno, Joey is returning to his Bluegrass roots, to pick with some of Reno's Bluegrass royalty.

Core members of the band, Bob Fairchild on bass and Cindy Gray on guitar, are often joined by either Renee Lauderback or Catherine Matovich on fiddle. 3 part harmony singing and brisk instrumentals are the hallmarks of Kentucky Blue!
